Message from the Chapter President

Dear Gabriel Chapter and AFA Members and Friends,

Rohini and I would like to wish all Air Force Association Gabriel Chapter members and their families a Happy New Year! As we come to the close of 2019, I am overwhelmed by the many successes and breakthroughs of the past year. Through the outstanding and tireless support of our EXCOM, We have achieved another banner year.

Most significantly, through an active outreach to our corporate and community base, we continue to grow our corporate sponsors. In partnership with AFCEA-NOVA we hosted another USAF IT Day in December. And we have boosted our ability to influence the AFA Mission to EDUCATE, ADVOCATE, and SUPPORT!

I'm looking forward to more successes, with many opportunities for our EXCOM and other members to push forward. In our recent Air Force IT Day, we played a key role in helping the Air Force to promulgate its vision on achieving agile software acquisition. That's just a start, as Gabriel Chapter, through its base in the Tysons-Dulles IT Corridor and beyond, is exceptionally well postured by its corporate and individual membership to further this strategic goal.

As we celebrate the successes of 2019, your chapter is already planning to have even greater impact in 2020. On January 8th, we are hosting Lt General David "DT" Thompson, a leader in the newly established U.S. Space Force. Then, in February, we are having an Aerospace Education Dinner with a NASA astronaut and a big STEM Outreach. And planning has started for a full-day Space Dominance Conference in June.

These are a few examples of the many areas you can be involved in 2020, from top-level strategic planning down to mentoring STEM teams at our local high schools and CAP and JROTC elements. We also have several immediate vacancies on our EXCOM, and always can also use help on our committees. The easiest way to get involved is attend our Gabriel Chapter professional development lunch meetings to hear what's important to both our chapter and our senior speakers.

Needless to say, with all of these high-level activities, and many more throughout the coming year, your chapter is very happy to get more of you involved at every level. Even if you can contribute just a little bit of time, we very much appreciate every new and returning volunteer to this great enterprise. I look forward to working with each of you throughout the New Year!

During this joyous season, please remember our Airmen, Soldiers, Sailors, Marines and Coast Guard personnel who have been away from home during the holidays. Rohini and I hope you and your families had a wonderful holiday season and wish all of you a safe and Happy New Year in 2020.

Gabriel AFA Community Partner Program

During these times of constrained resources and new emerging threats, our Air Force needs the Air Force Association to educate the public on the importance of air power and strong national defense. One of your AFA tools to help spread the message is the Community Partner Program. I strongly encourage each AFA Gabriel Chapter member help the Chapter actively recruit new Community Partners. As a chapter member you do business in the local community. Identify those businesses that you support and ask them to become a community partner with the Gabriel Chapter. Here are the top 10 reasons for a business to become a community partner:

1. \$90 A YEAR is affordable and your money supports Grants and Scholarships for local schools to promote science, technology, engineering and math (STEM) – a national priority.
2. You become part of an Organization with volunteers dedicated to connecting with active duty military, veterans, and their families thru events, activities, and networking!
3. Your local AFA Chapter provides you advertising in publications, events, activities, newsletters to the local AFA members.
4. Your business will have opportunities to advertise at local, regional and National AFA events!
5. Your business receives a plaque to hang up, a decal for your entrance - use your Membership in local advertising (print, radio, television); the Military likes doing business with those who support them!
6. Your business will be recognized for your support and involvement in the local area
7. Your business becomes a supporter of key National Programs such as Pilot4aDay, Cyber Patriot, STEM, ROTC
8. Your business becomes a Strategic Partner in our National Defense thru Aerospace Education and Advocacy
9. You save hundreds of dollars with discounts and savings visit: www.afavba.org or visit services@afavba.org
10. You get AFA Magazine, Chapter Newsletter, and email updates

Bottom Line: Being an AFA Community Partner is an opportunity to increase business and make a tremendous difference in the local community at the same time!

DCS for Strategic Deterrence and Nuclear Integration Speaks to Gabriel Chapter at Annual Falcons Landing Event

US Air Force Lt. Gen. Richard M. Clark is Deputy Chief of Staff for Strategic Deterrence and Nuclear Integration. He spoke to Gabriel Chapter Members at our annual event at the Falcons' Landing Air Force

On Monday, October 7th, AFA Gabriel Chapter held our Monthly Professional Development Luncheon at Falcon's Landing in Potomac Falls, VA. Our guest speaker was Lieutenant General Richard M. Clark, who is the Deputy Chief of Staff for Strategic Deterrence and Nuclear Integration at Headquarters U.S. Air Force, Arlington, VA. General Clark is responsible to the Secretary and Chief of Staff of the Air Force for focus on Nuclear Deterrence Operations. He provides direction, guidance, integration and advocacy regarding the nuclear deterrence mission of the U.S. Air Force and engages with joint and interagency partners for nuclear enterprise solutions.

Lt Gen Clark presented a tour de force of Air Force nuclear operations worldwide and answered questions on the state of the Air Force bomber and missile force, force structure, and

training challenges for an evolving nuclear deterrence strategy.

We were delighted to also host Lt Gen Clarke's lovely spouse, Amy.

This event is one of monthly programs that the Gabriel Chapter hosts for the professional development of our AFA membership. Many of our members are corporate partners who advance the AFA mission.

Each year, the Chapter holds at least one event at Falcons Landing to reach many of our longest tenured AFA members. Falcons Landing is an Air Force retirement community in Sterling, Virginia. Residents call Falcons Landing a "dream come true." A group of retired officers used to meet regularly for breakfast at Andrews Air Force Base, and one day they had a great idea. The Washington D.C. area should have an Air Force military retirement community along the lines of the one in San Antonio. They formed the Air Force Retired Officers Community (AFROC) and began a ten-year journey to make their dream a reality. The original Board of Directors visited communities across the country to determine what constituted the ideal retirement community. They secured financing and a perfect site, commissioned the design and found just the right company to build it. Falcons Landing was completed 1996 and the community is everything they dreamed it could be . . . and more.

At our annual event at Falcons Landing there were number of retired GOs. This year we were joined by Lieutenant General (ret) Charles May and World War II veteran, Colonel Henry Bodson. Also in attendance were Maj Gen (ret) Scott Vander Hamm, who spoke at our State Meeting in January 2016, and longtime friend of the Chapter, Maj Gen (ret) Darryl Burke.

FAA Director of Drone Operations Speaks to Gabriel Chapter on Software Acquisition at November Luncheon

On November 13th, 21 Chapter members gathered for our monthly AFA Gabriel Professional Development Meeting at Maggiano's Little Italy Restaurant in McLean, VA. Our guest speaker was Dr. Ravi Chaudhary, who is the Director of Advanced Programs and Innovation, Office of Commercial Space Transportation (AST), at the Federal Aviation Administration (FAA). Reporting directly to the

Associate Administrator for Commercial Space, he is responsible for the execution of advanced development and research programs in support of the FAA's Commercial Space Transportation mission. The Directorate of Advanced programs includes the office of the Chief Engineer, providing technical leadership and performance-based oversight of AST's regulatory responsibilities for the Commercial Space Industry. He also leads all AST Research and Development activities, including the FAA's nationally recognized Center of Excellence in Commercial Space (COE CST), a consortium of ten different universities committed to cutting-edge research in the space field.

Dr. Chaudhary previously served as Executive Director, Regions and Center Operations, at the FAA. In this role he was responsible for leadership, integration, and execution of aviation operations in 9 different regions located nationwide. He executed a \$254 Million operating budget, and led over 400 Federal Employees geographically located across the nation. As second in command to the Deputy Assistant Administrator, he was responsible for providing Department of Transportation and FAA-wide services in the areas of operations, safety, policy, industry and congressional outreach, and emergency readiness for the National Aerospace System.

Dr. Chaudhary gave an animated and exciting explanation of modern the FAA's NextGen air traffic control system which will leverage GPS locations technology and active broadcasts from participating aircraft to speed aircraft movements, reduce airport congestion, and share data on weather, airline schedules, and maintenance information.

[AFCEA NOVA and Gabriel Chapter Host 18th Annual Air Force IT Day](#)

The Gabriel Chapter was again invited to co host the AFCEA NOVA Air Force IT Day. The theme for this 18th annual event was ***"The Digital Transformation of Air, Space and Cyber."*** The conference delivered speakers from across the Air Force, DoD, and industry with presentations tha encompassed the SECAF's and CSAF's vision for digital trasformation across warfigting domains and the resulting demand for Air Force IT and Cyber. More than 250 people attended the conference and organizers for AFCEA and AFA

were pleased with the turnout, particularly among junior officers and enlisted military personnel.

PEO Digital, Mr. Steve Wert, describes the Air Force's new approach to acquiring software that is agile, responsive, and

Many senior Air Force and DOD leaders participated in the conference, including the Honorable Dana Deasy, Chief Information Officer, Department of Defense; Air Force Deputy CIO, Bill Marion; Air Force PEO Digital, Mr. Steve Wert; Assistant to the Director of the Defense Information Systems Agency, MAJ GEN Garret Yee, USA; and Air Force Chief Data Officer, Ms. Eileen Vidrine.

A big thank you to all Gabriel Chapter members who worked this event over a number months and to the Gabriel Chapter Community Partners, who also stepped up to sponsor this event!

[Virginia Commonwealth Coffee Draws Veterans from Across Virginia](#)

Representing the AFA and Gabriel Chapter at the Virginia Commonwealth Coffee Honoring Veterans are L-R Lee Rizzo, Gabriel Chapter VP for Government Relations; Joe Burke, AFA National Director; Hon Mark R. Warner, Senior Senator from Virginia; Linda McMahon, Virginia AFA State President; and Hon Tim Kaine, Senator from Virginia.

Your Gabriel Chapter was well represented at the annual Commonwealth Coffee honoring Virginia Veterans. Senator Mark R. Warner and Senator Tim Kaine invited veterans from across Virginia to a Commonwealth Coffee honoring veterans. The coffee serves as an opportunity for veterans, active duty service members, their families, and Virginia's broader military community to speak with the Senators and members of their staff. The event was held December 10, 2019 at The Russell office building. Chapter VP for Government Affairs, Lee Rizzo represented Chapter President Mike Winters at the event. Joining VP Rizzo were Virginia AFA President Linda McMahon and AFA National Director and Gabriel Chapter Past President, Joe Burke.

[Trace Systems Renews as Gabriel Chapter Silver Level Sponsor](#)

Trace Systems provides a comprehensive range of communications, enterprise information technologies, and cyber security services and solutions to the United States Government, Department of Defense, and its mission partners. Our capabilities span the globe and the entire lifecycle of support from design and engineering to operations and maintenance.

Since its founding in 1999, Trace has been addressing mission critical requirements for the Department of Defense (DoD) in nearly every corner of the globe:

Trace Systems has renewed for a third year as an AFA Community Partner and Gabriel Chapter Silver Level Sponsor. Thank you Terry Severson and the Trace Systems team for your generous support of the AFA and the Gabriel Chapter!

[Wreaths Across America](#)

On behalf of the Air Force Association and the Gabriel Chapter, thanks again to everyone who helped distribute wreaths on Saturday, 14 December. In a repeat from 2018, it was wet and rainy day. Thanks to everyone who participated; it was certainly successful thanks to the hard work of our truck crew volunteers. Thanks in particular to Chapter lead Pat Rocke for his hard work and leadership for our Chapter on this event. Thanks to all members of the team, who came out to make the day a great success.

Wreaths Across America honors our fallen comrades at national cemeteries across the United States, including Arlington National Cemetery.

The Wreaths Across America opening ceremony started at the McClellan Gate. Thousands of volunteers were lined up to accept wreaths from the Gabriel Chapter truck crew by the time permission was given to begin distribution at 8:00.

Truck 30 Crew gathered in the pre-dawn rain to prepare for the volunteers arriving at 8:00. Despite the rain, the 48-foot truck was emptied in about two hours.

Although the number of volunteers was down from previous years – traffic snarls and torrential rain reduced volunteers to about 57,000 when previous years have numbered 100,000 or more. Nevertheless, the crew for Truck 30 was mostly done by 11:00 while we awaited final inspection of our empty truck and stacked and banded empty boxes. The Gabriel Chapter team unloaded more than 8,000 wreaths in just under two hours, providing a steady stream of wreaths to volunteers who honored out fallen comrades. Together, we accomplished something special that is an important sign of patriotism in

recognition of those who lost their lives in order that we may have freedom.

Volunteers lined up in the pouring rain to respect and honor our fallen comrades.

Wreath pickup day is 11 January with an 8:00 start, and Pat Rocke is a Dumpster Crew Chief. Watch your email for details on the event. Please contact us if you would like to join your AFA Gabriel Chapter in this annual dumpster dive at va433.gabriel@afa.org

Other Items in the News

AFA and Virginia Veterans

Your AFA is represented by Governor's appointment to the Joint Leadership Council (JLC) of Veterans Services Organizations. This Council gives one voice to the interests of more than 840,000 Virginia veterans. The JLC supports the Department of Veteran Affairs and provides direct input to the Governor and General Assembly for annual budget items and legislation to further the interests of veterans and their families in Virginia. The stated goal is to make Virginia the most "veteran friendly state in the union." Major programs of interest are the Virginia Wounded Warrior Program (not to be confused with the national Wounded Warrior Project), the construction of two new Veteran Care Centers (one in Hampton Roads), the maintenance of three Veteran Cemeteries (one in Suffolk), support for the Virginia War Memorial, and specific programs like the Veterans, Education, Training and Employment. For questions about the JLC or to make input, contact va433.gabriel@afa.org

Veterans need VHIC for in-person Commissary, Military Exchange, MWR access, Expansion to start Jan. 1, 2020

The Defense Department has announced expanded Commissary, Military Service Exchange and MWR access January 1 and established a standard for physical access to military installations.

Veterans who are eligible and want to take advantage of in-person benefits must have a Veterans Health Identification Card, or VHIC. Primary Family Caregivers must have an eligibility letter from VA's Office of Community Care.

Veterans use VHICs for identification and check-in at VA appointments, but will also use them for base access under the new program.

Veterans eligible solely under this act who are eligible to obtain a Veteran Health Identification Card must use this credential for in-person installation and privilege access. The card must display the Veteran's eligibility status (i.e., PURPLE HEART, FORMER POW or SERVICE CONNECTED).

Veterans eligible solely under this act who are not enrolled in or are not eligible to enroll in VA health care, or who are enrolled in VA health care, but do not possess a Veteran Health Identification Card will not have access to DoD and Coast Guard installations for in-person commissary, exchange, and MWR retail privileges, but will have full access to online exchanges and American Forces Travel.

Medal of Honor recipients and Veterans with 100% service-connected disability ratings are eligible for DoD credentials under DoD policy.

To ensure a Veteran's identity, enrollees must provide one form of primary identification when requesting a VHIC. Acceptable forms of primary identification are:

- Primary Identification (Unexpired)
- State-Issued Driver's License
- United States Passport or Passport Card
- Other Government ID

This ID can be issued by federal, state or local government agencies provided it contains a photograph, name, date of birth and address. If the address is not on the proofing document, Veterans can provide separate documentation to confirm their address. Acceptable address documents include:

- Electric bill
- Cable bill
- Other mailing document
- Voters Registration card

Once you have your picture taken, you should receive your VHIC within 10 days. If you have questions about the status of your VHIC, you may call your local VA medical facility where you receive your care or contact us at 1-877-222-VETS (8387).

Honoring Our Fallen Comrades

This section of our newsletter is to recognize the service and sacrifice of our fellow airmen and Gabriel Chapter members, who have gone to their final reward. If you would like to recognize a fallen comrade or family member in these pages, please send information to our VP Communications at va433.gabriel@afa.org

WELCOME HOME, VETERANS!

All honorably discharged Veterans are eligible to shop their military exchanges online, tax-free for life.

This benefit saves Veterans money and helps the military community by generating earnings in support of critical Quality-of-Life programs.

Verify your eligibility today at shopmyexchange.com/vets

Starting January 2020 the Department of Defense is expanding in-store military exchange and commissary shopping privileges as well as MWR resale facility use to all:

- Veterans with service-connected disabilities
- Purple Heart recipients
- Former Prisoners of War
- Caregivers or family caregivers registered as the primary caregiver for a veteran in the *Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers*

Gabriel Chapter Top Ten Tips for Recruiting and Retaining Members

The General Charles A. Gabriel Chapter has been recognized for a successful retention program. AFA Field Operations asked Chapter President Joe Burke for his secrets to success. Here are ten tips that Joe shared with our AFA National Field Operations Staff. How has the Chapter been so successful at growing new members and retaining existing members? Joe said, "My usual answer is that there is no magic to retention, that it just takes some commitment and to remember it's a contact sport."

Here are the Gabriel Top Ten Tips for Retention:

1. **Chapter Programs and Events That Offer Value to Members** - People join the Association for different reasons and have varying interests in AFA programs. Retention starts with running balanced Chapter programs that advance the AFA mission -- Advocating for Airpower, developing Aerospace Education and supporting Airmen and Families – while offering "something for everyone." Our membership events bring active duty and reserve component speakers who present on topics that serve the AFA mission. We have at least one Chapter social event a year and we run monthly meetings in different locations throughout our AOR to make it easier for members to attend.
2. **Communicate with our Membership.** We have a great communications team with VP for Communications, Jack Diamond, and VP for Social Media, Sam Shelton. Every week we notify members about upcoming Chapter events through our Quarterly Newsletter, Chapter website, Facebook page, and Constant Contact email notifications.
3. **Reach Out to First Year Members and Transfers** – We download the Chapter membership roster monthly (or whenever it's updated by national) and contact new members to make sure they know we are their Chapter and are ready to help them get active in our Association.
4. **Don't Take Attendance** -- We understand that they can't get to some or even most of our events due to active duty, work or family commitments. We make it clear that if they can participate in only one of our events, they are still making a difference. Even for our Executive Committee Members, we consider participation voluntary – whatever time they can commit is valued and appreciated.
5. **Track Status with AFA Provided Reports** - We download our Roster from the AFA website when it is updated around mid-month. The Update Roster lists all members who are coming up for renewal or whose memberships are expiring. The roster also tells us whether or not a member we previously contacted about re-upping has actually renewed his or her membership.
6. **Watch the AFA Retention Training Module** - The Retention training module on the AFA website goes through the entire process, including the how to use the rosters for Chapter retention.
7. **Assign a Chapter Lead for Membership** – Our Chapter VP for Membership is currently vacant. Nevertheless, one person needs to lead the Retention effort. So our Chapter President has stepped in, assisted by other Executive Committee (EXCOM) members. The Chapter President owns and leads our program. It takes a group of people to implement, but one person is responsible.
8. **Retention is a Contact Sport** – We personally contact each member. Usually the member has already been contacted by AFA National, with letters and emails. We assign a real person to reach out with personal contact – by telephone or email -- to each member who is up for renewal.
9. **Retention is Also a Team Sport** – Whenever possible; we make sure that the person who recruited the member, or who knows him or her best, reaches out to make the contact. For all others, we divvy up the list among the EXCOM. In the end, an assigned sponsor (retention committee or a member who knows them) contacts the member and provides that personal touch.
10. **Follow-up** – Every month our VP for Membership audits the membership roster to see who renewed. We follow-up with any disconnects and confirm the member's status. Sometimes a member confirms that they renewed their membership even though they do not show up on the roster. So we have to call AFA HQ membership and resolve the issue. AFA HQ is always ready to assist us!

AIR FORCE ASSOCIATION

The Air Force Association is proud to announce that we are furthering our partnership with the Civil Air Patrol (CAP) to promote aerospace education and Science, Technology, Engineering and Mathematics (STEM) careers.

"The partnership between AFA and CAP offers a great opportunity for members from both organizations to stay connected and advocate for the future of our Air Force," said General Larry Spencer, AFA President. "Education is one of AFA's top priorities, and we believe this relationship supports that mission by granting our members access to invaluable information on the rich history of our great Air Force."

As a thank you to AFA members, CAP is extending a special opportunity for AFA members to become involved as "Friends of CAP" for \$15 instead of the usual \$35 cost. AFA "Friends of CAP" pay \$15 as a tax deductible gift to further support Civil Air Patrol without volunteer membership obligations. Friends will receive the Civil Air Patrol magazine twice a year, as well as periodic emails with updates from the national staff and development office. Friends are also eligible to take advantage of member benefits and discounts. To become an AFA Friend of CAP [click here](#) and use discount code AFACAP on page two of the online form.

If you know of any CAP members who are not currently AFA members, please encourage them to join AFA at a special price for new CAP members. [Click here](#) for more info.

We look forward to partnering with CAP and working together to promote aerospace education and a dominate Air Force.
